Co-funded by the European Union

Erasmus+ Blended Intensive Programme (BIP)

PRE-ONLINE SESSIONS

Tue 11th Nov 17:00 - 18:30 CET
(90 min) MS Teams Online Session

1. Introduction & Connection
(all participants + random groups)

- Welcome session and introduction to the COIL and PBL concepts.
- Sharing experiences and insights from previous Autumn Schools (student and teacher testimonials).
- "Icebreaker 1: My Object, My Story" – participants introduce themselves through a personal object that represents them, creating a bridge between personal and professional identities.

Wed 12th Nov 17:00 - 18:30 CET
(90 min) MS Teams Online Session

2. Community Building
(all participants + project teams)

- Formation of international project teams and relationship-building activities.
- "Icebreaker 2: Cultural Curiosity Bingo" – an interactive activity to explore cultural diversity and build mutual understanding.
- Setting up shared digital workspaces (e.g. MS Teams, Miro, or Padlet) and defining internal communication channels and responsibilities within teams.

Thu 13th Nov 17:00 - 18:30 CET
(90 min) MS Teams Online Session

3. Project Introduction and Preparation
(all participants + project teams)

- Presentation of project topics, expected outcomes, and assessment criteria.
- Meetings with academic and company mentors to clarify objectives and roles.
- Preparatory activities: mapping the problem, collecting background information, conducting context research, and drafting a preliminary project plan including milestones and a timeline.
- "Icebreaker 3: Plan Our Social Event" – a light, creative activity to strengthen collaboration and jointly plan the informal part of the face-to-face meeting.

FACE-TO-FACE SESSIONS (16th – 21st Nov)
