VSB TECHNICAL UNIVERSITY OF OSTRAVA | FACULTY OF SAFETY ENGINEERING

COLOSH SUMMER SCHOOL

OFFICIAL PROGRAM

BLENDED FORMAT JUNE /JULY 2026

Venue

Faculty of Safety Engineering (FSE), Lumirova street 630/13, 700 30 Ostrava

A dynamic week of interactive workshops on project management, research methods, incident investigation, ergonomic analysis and communication in OSH field.

Lab excursions, networking, social activities, and much more!

The COLOSH Summer School is designed as a role-based and project- oriented learning experience. Throughout the week, participants will rotate through different professional roles, gaining practical insights and developing interdisciplinary skills in an international environment.

Co-funded by the Erasmus+ Programme of the European Union

This project „International Collaborative Learning in OSH" nr. 2024-1-CZ01-KA220-HED-000257634 is funded with support from the European Commission.
