02 FIRST DAY AT FACULTY

The first days of college life can confuse you. There is a lot you have to take in and everything happens pretty fast.

1. WHEN DOES THE SEMESTER START?

Academic year starts on 1st September and the winter semester starts on 14th of September. You will find other important dates in Chapter 3: Academic Schedule.

2. SCHEDULE

The schedule has been generated based on the courses you have chosen for your studies. You can find your schedule at https://rozvrh.vsb.cz/

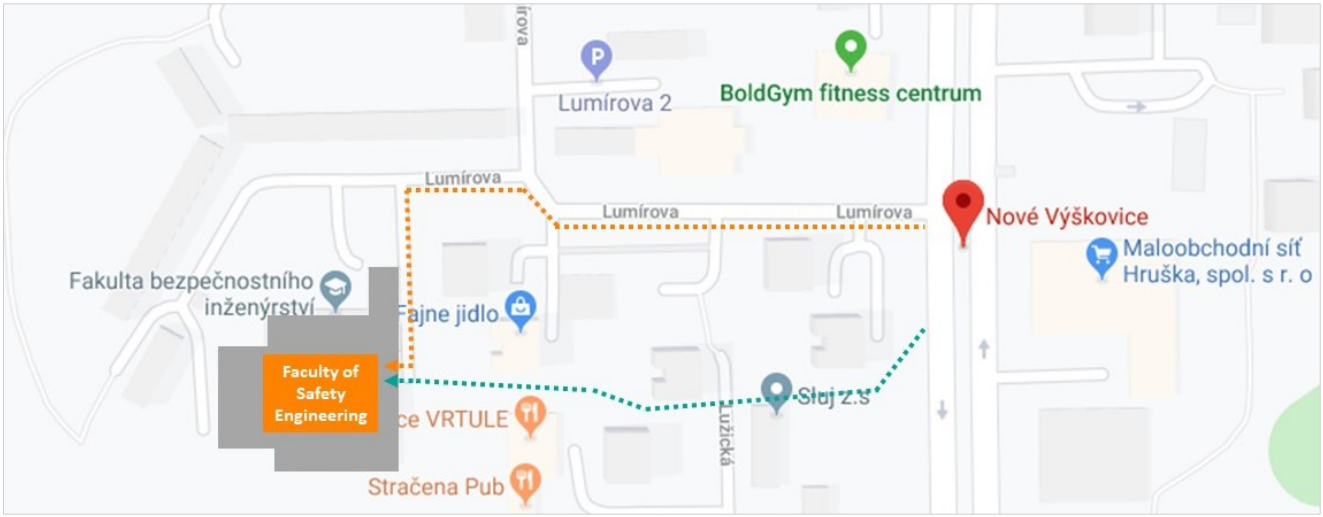
The first day at university goes already according to the schedule, if you have lessons on the campus, we recommend printing the schedule together with a map of the area, the campus is really large, and it is easy to get lost here at first.

3. WI-FI

You can use wireless internet throughout the university campus and at individual faculties. Instructions on how to connect to the VŠB-TUO network you can find here: https://idoc.vsb.cz/xwiki/bin/view/tuonet/wifi/?language=en.

4. HOW TO GET TO THE FACULTY OF SAFETY ENGINEERING

Please, do not forget that our faculty is not at campus of VSB – TUO! You can use a tram number 7 from campus to FSE (tram direction: Výškovice, the tram stop is called "Nové Výškovice" – red symbol in the map below).



Address: Lumírova 630/13, Ostrava – Výškovice 700 30
